Manage your calls,
extensions, queues,
and much more, all in
real-time!

- Track all your calls
- Measure productivity
- See who's on the phone
- Real-Time supervision
- And more...

CONTACT INFORMATION

Perfect for call centers with supervision tools such as Spy, Spy & Whisper (coaching), Barge in, and request supervisor assistance from the agents.

Manage extensions, transfer, hang up, and tend calls in an interactive way.

Track calls by events and see each place the calls have been through.

Included widgets:

- Extensions
- Queues
- Conferences
- Parking Lots
- Trunks
