

CARRIER PLUS PLAN

More clients with fewer servers!

You won't have to manage multiple servers for each PBX

One server to manage all your voice systems, which means no extra hardware, software or staff. Plus, you can manage multiple PBX's on the same server for clients with their own unique needs.

UNLIMITED EXTENSIONS, SIMULTANEOUS CALL, DEVICES PROVISION, AND TENANTS

 **MULTI-TENANT MODULE**

 **ALL COMMERCIAL MODULES**

 **TICKET AND FORUM SUPPORT**

 **SONATA SWITCHBOARD, STATS, BILLING AND RECORDING**
